

EAUNwebinar

Pelvic organ prolapse and impact on urinary function

September 27 2023

19:00 – 20:00 CEST (18:00 – 19:00 GMT)

Learning objectives

Upon completion of this webinar, the participants will be able to:

- Describe the consequences of pelvic organ prolapse (POP) on the pelvic and urinary function
- Describe the current surgical techniques for POP correction
- Describe the criteria for preparing the patient for POP surgery and to maintain the results after surgery

Programme

Moderator: E. Wallace, Dublin (IE)

19:00 – 19:05 Introduction

19:05 – 19:20 Consequences of pelvic organ prolapse on the pelvic floor function
S. Maruccia, Milan (IT)

19:20 – 19:35 Surgical techniques for pelvic organ prolapse repair: from vaginal to robotic
G. Gaia, Milan (IT)

19:35 – 19:50 Optimising the patient's pathway to surgery: how to get optimal results and make them last?
S. Terzoni, Milan (IT)

19:50 – 20:00 Discussion and conclusion
E. Wallace, Dublin (IE)
